“Coats for Kids”

Ewing Council 3756 is helping to provide warmth to needy young children by participating in the Knights of Columbus “Coats for Kids” program. The goal of the “Coats for Kids” program as well as our goal is to ensure that needy children in our Parishes and surrounding communities will have their own winter coat.

Eighteen percent of American children live in poverty and many families cannot afford to provide even the basic necessity of a warm winter coat. Each year your local Knights hand out coats to area children in need. Will you help us?

Any business owner (name to appear in Church Bulletin) or parishioner who may also wish to participate should do so by sending a check made payable to the Ewing Knights of Columbus Council 3756 and mail to:
