

Coats For Kids

Knights of Columbus “Coats for Kids” Program

Ewing Council 3756 is helping to provide warmth to needy young children by participating in the Knights of Columbus “Coats for Kids” program. The goal of the “Coats for Kids” program as well as our goal is to ensure that needy children in our Parishes and surrounding communities will have their own winter coat. **A donation of just \$20.00 will purchase one coat and go a long way in reaching our goal. Think about that smile on the children’s faces when they receive a warm winter coat for this winter.**

Any business owner (name to appear in Church Bulletin) or parishioner who may also wish to participate should do so by sending a check made payable to the Ewing Knights of Columbus Council 3756 and mail to:
