

## SHARE THE LIGHT

Advent is about the coming of the Light----JESUS CHRIST. This Advent season, let us **share the light**. Let us work together to brighten up our church with Christmas lights. This is to remind everybody, especially those who are losing hope, that the Light of Christ is greater than the darkness of evil. The pandemic has brought darkness to our lives, but the light of our hope will always shine. There are three ways you can participate in this project:

1. Donate outdoor Christmas lights, whether used or brand new. Just make sure they are working. You may drop them off in the rectory porch.
2. Donate any amount and we will buy the Christmas lights for you.
3. Say a prayer. This can be your Advent family offering as we share the Light of Christ.

### CHRISTMAS LIGHTS WILL BE PLACED ON THE FOLLOWING:

1. Pines beside the main door of the church.
2. Pines next to St Francis Statue.
3. Plants around the Statue of Our Lady of Fatima.
4. Plants around the statue of Christ.
5. Plants or trees next to the rectory.
6. Our Lady of Good Counsel marker.
7. Plants next to the marker.
8. Plants on the grass island in front of the church.
9. Lighted Christmas symbols and decorations may also be installed on that island. (Please Donate if you have any in good condition that you no longer use)
10. Trunk of the big tree in front of the church.

We shall use a professional electrician to connect the lights to a power source.

THANK YOU VERY MUCH ! FR. ARIEL
